A proven and uniform breeder of high-class road and Eastern horses, combining all the qualities for harness and saddle and in demand at top prices. The champion saddle and combined gelding of the American horse shows 1902-03-04, Jack O' Diamond's, stands to his credit. Twelve of his colts have sold for over \$10,000 in the past two years. His service is offered for less than any horse of his producing quality in Kentucky. Will stand at my farm, 2 1/2 miles from Stanford, Ky., on Hustonville pike, at \$20 to insure a living colt. The wheat crop outlook in Tennessee is gloomy indeed. Reports received at the State Bureau of Agriculture during the week indicate that Tennessee will do well to make even half a crop.  
The Foreman, a long shot, won the Latonia Derby Saturday by the narrowest of margins from Hambricht. Miss Alice Roosevelt attended the races and showed enthusiasm in the sport.  
The largest shipment of export cattle ever made from Harrison county left the other day for Baltimore, thence to England. There were 600 head of cattle and it took 33 cars to hold them. The cattle were bought at prices ranging from 5 1/2 to 6c.  
W. W. Gay & Co., of Mt. Sterling, sold to C. C. McDonald, agent for Swift & Co., of Chicago, 497 shop-fed cattle at 4 1/2c. The cattle will average 1,130 pounds and the sale will approximate \$30,000. The cattle will be shipped East in a solid train of 25 cars.  
Ed Hulett, of Jessamine county, in speaking of the value of the milk cows and the income to be derived from them when they are of good stock, told of two cows he has on his farm that are probably the best in the State, says the Harrodsburg Herald. From the milk of two cows, he says, his wife churns 60 pounds of butter each month, one cow producing 40 and the other 20 pounds. This butter, if all sold, would bring \$15 each month on the open market, or a yearly income of \$180. Besides this income from these two cows they have the skimmed and buttermilk to feed the chickens and hogs, a fattening material that is useful.  
Carroll Reid, trainer of the Waldeck Stable, thinks that The Picket, winner of last year's Brooklyn, can be got ready for the Suburban, in which he is engaged with Delhi, this season's Brooklyn winner, and very nearly every other good horse in America, says the New York Telegraph. An ulcerated jaw interrupted, The Picket's preparation for last Thursday's great race. The horse was suffering so acutely Mr. Reid found it necessary to throw him out of training for a week ahead of the running of the Brooklyn. The jaw is well now, but it will be a hard matter to get the Falsetto colt into condition for a race to be run on the 15th of June and meet good racers that have been hardened by six weeks' steady work and racing. He will, however, make the effort, and it is safe to figure The Picket as a Suburban starter. If he is not screwed up exactly Mr. Reid figures that a race will not do him great harm. It will help to fit him for later engagements. The Picket is in the Advance and the Commonwealth, and Karl Jungbluth, his owner, likes to see him run.

**Cuban Diarrhoea.**  
U. S. soldiers who served in Cuba during the Spanish war know what this disease is, and that ordinary remedies have little more effect than so much water. Cuban diarrhoea is almost as severe and dangerous as a mild attack of cholera. There is one remedy, however, that can always be depended upon as will be seen by the following certificate from Mrs. Minnie Jacobs, of Houston, Texas: "I hereby certify that Chamberlain's Colic, Cholera and Diarrhoea Remedy cured my husband of a severe attack of Cuban diarrhoea, which he brought home from Cuba. We had several doctors, but they did him no good. One bottle of this remedy cured him, as our neighbors will testify. I thank God for so valuable a medicine." For sale by Lyne Bros., Crab Orchard, Ky.

Two Congressmen, discussing the discomforts of travel, happened to branch off on the subject of seasickness. One of them said:  
"Talk about seasickness; the fellow that traveled with me on my last European trip beat anything I ever met in all of my experience before. I tried all sorts of remedies on him, but without avail. He kept repeating, 'Oh, I am so sick—I am so sick.'"  
"Finally I cried out, 'Can't you keep anything on your stomach?'"  
"Only my hands, Tom; only my hands." —Harper's Weekly.

**Sprained Ankle, Stiff Neck, Lamé Shoulders.**  
These are three common ailments for which Chamberlain's Pain Balm is especially valuable. If promptly applied it will save you time, money and suffering when troubled with any one of these ailments. For sale by Lyne Bros., Crab Orchard, Ky.

**Mother's Devotion**  
To her children is one of the most beautiful things in life. The soil needs no fertilizers and gives a yield which cannot be excelled, taxes are low, and perfect and the man who buys Delta farm and timber lands at present prices is making an investment that he will never regret.
